## **COMPANY OVERVIEW:**

ION CLUB with 35 years of experience is convinced of it - having fun on the water is about so much more than just practising water sports. We do our very best to offer a variety of water sports accessible to all our guests.

Although Windsurfing, Kitesurfing, Surfing, Stand Up paddling, Wingsurf/foil and biking all have their own appeal, they nevertheless have two things in common: action in the nature and never-ending fun.

We are proud of the fact that our team members come from so many different countries. The variety of cultures and characters creates a wide range of knowledges and a unique atmosphere.
