

Special Sales Conditions ION CLUB HOLIDAYS

ION CLUB Holidays/Aquaphyle offers the following services:
Accommodation reservation, transfers, stays and travel insurance.

ARTICLE 1 – REGISTRATION AND PAYMENT TERMS

Registration for our trips, activities, accommodation, and transfers presented on our website implies acceptance of the general sales conditions submitted to the provisions of articles R211-3 to R211-11 of the Tourism Code.

It also implies acceptance of the specific conditions described here and the general sales conditions of ION CLUB/Surfing Element.

Any reservation must be made in writing and accompanied by payment of the total amount of the stay or a deposit corresponding to 35% of this amount. The registration is considered upon receipt of this payment.

The receipt and collection of payment (total sum or deposit) does not imply the acceptance of the reservation by ION CLUB Holidays/Aquaphyle. It will be confirmed within the limit of availability within 1 to 7 days from the receipt of payment. In case of acceptance, the balance must be paid no later than 1 month before the departure date.

The customer who has not paid the balance on the agreed date may be considered by ION CLUB Holidays/Aquaphyle as having cancelled the stay, and will have to pay the corresponding penalties. If the registration occurs less than one month before departure, the total price of the stay must be paid upon registration. Any payment will be fully and promptly refunded in case of non-confirmation of reservations due to lack of availability.

ARTICLE 2 – PRICES

The prices in our documentation (brochures, websites) were established based on information known as of December 1 for the following summer season (from 01/05 to 30/10) and August 1 for the following winter season (from 01/11 to 30/04). They must be confirmed on the quote issued by ION CLUB Holidays/Aquaphyle. Quotes are always made subject to the availability of services offered on the dates of the stay. Prices are calculated either on a unit basis or as a package including different services described in our sales contracts. They are valid for the specified number of participants. They are based on a certain number of nights and do not necessarily correspond to a specific number of full days. If, due to the schedules imposed by the airlines, the first and last day (or night) are shortened due to a late arrival or early departure, no refund can take place.

In general, prices include:

- Accommodation with the chosen formula: Self-catering, bed and breakfast, half-board, or full board.

- ION CLUB sports service: With or without rental of kitesurfing, windsurfing, wingfoil, paddle, or surf equipment; with or without courses or lessons; with or without storage of personal equipment.
- Transfer and rental car : with or without airport transfers; with or without car rental

For group trips, or individuals grouped together to benefit from special pricing conditions; if the number of participants is lower than the required minimum for the trip, a "small group" surcharge may be offered to clients (no later than 21 days before the departure date). This surcharge will be refunded if subsequent bookings bring the group size up to the required number.

In the case of stays accompanied by a coach and in the event of the coach's inability to conduct the coaching event, the stay is still maintained with a reduction in price which will be refunded if necessary, for the amount indicated on the initial quote.

Price Revision: ION CLUB Holidays/Aquaphyle cannot foresee at the date of publication of its rates, fluctuations in exchange rates or increases in the cost of transportation or local tourist taxes. In this case, ION CLUB Holidays/Aquaphyle informs the participant as soon as possible and expressly reserves the right to revise its sales prices based on variations in the cost of transportation, especially related to fuel, and the exchange rate of the currency of the country concerned.

These price adjustments are covered by the Mult-risk Tranquillity insurance, if you have subscribed to it.

Some other taxes will be billed separately and/or payable locally. New mandatory taxes may come into effect. We will inform you of these at the time of booking within the limits of our information. They will be due in any case.

In the event of a price increase of more than 8%, ION CLUB Holidays/Aquaphyle will inform the participant as soon as possible, propose another service if necessary, and indicate the deadline by which the participant must communicate his decision to pay the price supplement, choose another service, or cancel the sales contract.

In any case, no price revision can take place less than 20 days before departure. Any modification of the services may lead to the adjustment of published prices, up or down, up to 20 days before departure, in accordance with Article L211-12 of the Tourism Code.

Stay Duration: The first day of the stay, even if the arrival is late at night, and the last day of the stay, even if the return is early in the morning, are included in the duration of the stay. This is the case in our sector, and rules are necessary. We do not assume additional costs incurred by early or late departure or return times. Prices are fixed and cannot give rise to any refund or credit in the case of an early or late departure or arrival schedule.

ARTICLE 3 - MODIFICATIONS TO THE SALES CONTRACT BY THE CUSTOMER BEFORE DEPARTURE

Any changes to the file requested by the customer must be made in writing (email, message, what'app, other). email). More than 30 days before departure, and on the express condition that these modifications are authorized by the providers, this modification may result in fees of a minimum of €50 per person. If the modifications requested by the customer result in additional fees exceeding €50 per person imposed by ION CLUB Holidays/Aquaphyle's service providers, these fees will be fully passed on to the customer.

Any modification requested within 30 days or less before departure may be considered by ION CLUB Holidays/Aquaphyle as a cancellation of the sales contract, and will result in the application of cancellation conditions as per Article 4 of the special sales conditions. Modification fees are non-refundable under any circumstances.

ARTICLE 4 - CANCELLATION BY THE CUSTOMER

You must inform us of your decision to cancel by registered letter with acknowledgment of receipt (R.A.R) or email, ensuring its proper receipt by our services. The date of receipt of this letter will determine the date of your cancellation. The cancellation, regardless of its date, does not exempt you from the full payment of the amounts due. The refund procedure can only take place under this condition. In the event of cancellation by the customer, the refund of amounts will occur, minus the cancellation fees below, based on the cancellation date (unless otherwise stated on the sales contract):

- Up to 31 days before the departure date: €50
- From 30 to 14 days before departure: 50% of the total amount of the file
- From 13 to 8 days before departure: 75% of the total amount of the file
- From 7 days to the day of departure: 100% of the total amount of the file

Special cases: Regardless of the cancellation or contract modification date, these fees are in addition to the above scale.

- **fixed land fees** : Costs incurred early for firm reservations (for example, for certain accommodations with very low capacity or with cancellation conditions stricter than ours) will be charged in case of cancellation. The fees and conditions are specified in the sales contracts (or, in the absence of such, in the contracts with our service providers)
- **Insurance fees:** If you have subscribed to the Mult-risk Tranquillity insurance, the insurance amount is due and cannot be refunded. If you have subscribed to this Mult-risk Tranquillity insurance and in case of cancellation, the retained amounts will be reimbursed by the insurance in certain cases (notably illness, accident, death, etc.). The Mult-risk Tranquillity insurance takes effect from the day of your registration and purchase of the insurance.

ARTICLE 5 – CONTRACT ASSIGNMENT

In accordance with Article R.211-7 of the Tourism Code, you have the option to assign your contract to an assignee who meets the same conditions as you to carry out the stay, as long as this contract has not produced any effect. You are obliged to inform ION CLUB Holidays/Aquaphyle of your decision by any means that allows for acknowledgment of receipt, and no later than seven days before the start of the stay. In the event of a contract assignment, the assignor and/or the assignee must first pay the fees incurred by the assignment, which will be communicated to you by your advisor. The assignor and the assignee are jointly responsible for the payment of the balance of the price, as well as any fees, charges, or other additional costs possibly incurred by this assignment.

ARTICLE 6 – MODIFICATION OR CANCELLATION BY THE ORGANIZER

A modification of the contract elements by the organizer may occur if events beyond their control arise. ION CLUB Holidays/Aquaphyle informs participants as soon as possible. The client cannot refuse this contract modification if it does not affect an essential element of the contract. When a significant portion of the services of the stay cannot be provided by ION CLUB Holidays/Aquaphyle as specified in the sales contract, ION CLUB Holidays/Aquaphyle promptly offers the participant, at no extra cost, other services of equal or superior quality to those specified in the contract, for the continuation of the contract, including when the participant's return to their departure location is not provided as agreed. The participant can only refuse the proposed alternative services if they are not comparable to what was specified in the contract.

The organizer may cancel a departure due to special conditions, including force majeure, social events, strikes, weather conditions, or traveller safety. In such cases participants will be fully refunded without being entitled to any compensation.

If the organizer is obliged to cancel a departure due to an insufficient number of participants in the context of a group stay, clients are informed no later than 21 days before departure with the following options:

- Either the possibility to maintain the departure on the original date for an additional cost, which will be mentioned on the registration form.
- Or reschedule to a stay on the same date or a later date with an additional charge or reduction in price depending on the choices.
- Or total cancellation without being entitled to any compensation.

Special cases for coaching or themed weeks: If the minimum number of participants required to maintain the coaching is not reached 30 days before departure, the stay will proceed without the coaching service, and participants will be refunded an amount specified on their registration form.

In case of unavailability of coaches due to medical reasons and an inability to find replacements, the stay will be maintained in its content but without coaching services, and the rate will be reduced by an amount indicated on the registration form.

ARTICLE 7 – AFTER-SALES SERVICE

During the stay: Participants are required to inform ION CLUB/Aquaphyle of any observed non-compliance during the execution of the stay by contacting us immediately via email or phone. The failure to report on-site non-compliance may influence the amount of any damages or price reduction due if prompt reporting could have prevented, or diminished the damage to the client(s).

After the stay: In accordance with Article R.211-6-7 of the Tourism Code, any complaint must be transmitted to ION CLUB Holidays/Aquaphyle by any means that provides proof of receipt to the quality service no later than one month after the end of the stay. Beyond this period, the case cannot be processed with the same diligence.

It should be addressed to: ION CLUB Holidays/Aquaphyle, Apartment F61, 2 Rue Louise Weiss – 31200 TOULOUSE or via email. For ION CLUB Holidays/Aquaphyle to ensure a quick and effective processing of the request, it is imperative to provide all necessary supporting documents. Only complaints related to the content of the contract binding the parties and the contractual obligations of travel and stay sales professionals will be considered. The processing time of complaints depends on the responses from the service providers.

After contacting the Quality Service and failing to receive a satisfactory response within 90 days, the participant may contact the Tourism and Travel Mediator, whose contact details and filing procedures are available on their website: www.mtv.travel or by accessing the online dispute resolution platform.

Any dispute arising from the above conditions falls under the jurisdiction of the courts of Toulouse, with French law being the only applicable law.

ARTICLE 8 - LIABILITY DURING THE PRACTICE OF WATERSPORTS ACTIVITIES

Upon arrival, each participant signs a contract with the service provider center during the "check-in" procedure.

Reminder of Rules:

They must be able to swim unaided in the sea for at least 15 minutes to participate in classes or rent water sports equipment. For minors, this statement must be made by the legal guardian, without which the contract for the minor will be invalid.

They must inform our teams about their health conditions.
They must not be under the influence of drugs or alcohol and should avoid overeating.

Equipment Rental:

The customer implicitly acknowledges having sufficient technical competence to use the rented equipment independently. A test may be requested by our service providers. ION CLUB reserves the right to change the current rental reservation if it deems that the customer does not have the required level. Upon receiving their equipment, the customer navigates at their own risk, regarding third parties and the entrusted equipment.

Storage:

The customer is solely responsible for their equipment, cleaning, storage, drying, etc. In case of a request to our teams to help with take-off, landing, or storage, ION CLUB disclaims any responsibility in the event of an incident and damage to the equipment.

Personal Insurance for Sports Practice:

ION CLUB draws its clients' attention to the need to be properly insured for civil liability abroad as well as for assistance and repatriation, especially for the practice of water sports, including kitesurfing, which is often excluded from insurance contracts.

Each contractor/participant must scrupulously follow the instructions of water sports instructors or authorized team members. The contractor/participant must be informed about safety requirements and know the rules of etiquette on the water, as well as put them into practice.
