INTERNSHIP

Join the beach team at ION CLUB Golf de Roses. Learn how a watersports centre works while helping instructors, looking after equipment and getting guests ready for the water.

What you bring

- some knowledge of windsurfing, kitesurfing or wingfoiling
- motivation to learn, flexibility and fitness for active work on the beach
- spoken English and an interest in improving your language skills
- clear communication and a willingness to work as part of a team
- a proactive, independent approach to helping wherever needed
- availability for at least six weeks between May and September

TASKS

Support at the centre

- help the team open and clean the centre
- help guests rig and trim their gear, put it away when they return and rinse equipment after lessons
- help rental guests launch, land and get in and out of the water, and explain the different zones
- check in with guests who are waiting, offer to help or direct them to reception or the front office manager

Support during lessons

- assist instructors during kitesurf, windsurf or wingfoil lessons by helping students with their gear, getting into the water and anything else they need. Follow the instructor's directions and leave any additional instruction to them
- watch how instructors run their lessons and ask the instructor or centre manager afterwards if anything is unclear

Equipment

- keep equipment in good condition and well presented
- help keep guests safe during rentals
- help with minor repairs to boards, sails and kites
- before closing, clean, check and count the gear you're assigned, including wetsuits, harnesses, boards and booms

Customer care

- get to know guests and help them feel at home at the centre
- help guests rig and carry their gear, recommend a suitable sail and suggest lessons when helpful
- help organise occasional welcome drinks after closing

PRACTICAL DETAILS

Accommodation

- shared rooms are available in team apartments in nearby villages, 3–7 km from the centre
- there is no rent. Your flight reimbursement serves as the room deposit and is paid at the end of your stay once the room passes inspection

Transport on site

- flight costs of up to €300 can be reimbursed at the end of your stay once the room passes inspection
- bikes are available to use during your stay. Take care of your bike and arrange any repairs it needs

Using ION CLUB equipment
